Good morning Diana,

We currently have a trial scheduled for the week of November 4 but there is a chance it may be continued. Let's tentatively schedule Blackwood and Rubalcava for 11/4 for now, with the understanding that the parties will work together to find new dates should our trial move forward on that date.

I'm still working on dates from the plaintiffs in Puga and Botten and will get them over to defendants ASAP.

Best,
Hang

Good morning Hang,

I am getting additional dates for Sgt. Kee, but he is out until Monday. Please let me know if you want to proceed with Blackwood and Rubalcava on 10/28 or 11/4, so they can calendar other matters for the dates you don't need. Last time you noticed two officers' depositions on one day, assuming you will do that again.

Thanks,

Hi Amy,

Following up on deposition dates for the officers. Our discovery deadline is coming up quickly and we'd like to get this depositions done as soon as possible so that we can provide the transcripts to our experts. From our conversation a few months back, the County indicated that they expected to wrap up the investigation in June and that was what we represented to the Court. Given that the County is supposed to be wrapping up in the near future, can you please provide some potential dates for depositions later this month and early November? Thank you.

Best,
Hang

Good afternoon Hang,

Apologies I have been out of country since Wednesday. I have inquired from the County as to an expected date and will let you know as soon as I hear back. I would anticipate that based on previous timelines provided, it would be either the end of next week or the end of the following week, but will circle back as soon as I hear.
